Today's Laughs

A new supermarket opened near my house. It has an automatic water mister to keep the produce fresh. Just before it goes on, you hear the sound of distant thunder and the smell of fresh rain.

When you approach the milk cases, you hear cows mooing and experience the scent of fresh hay.

When you approach the egg case, you hear hens cluck and cackle, and the air is filled with the pleasing aroma of bacon and eggs frying.

The veggie department features the smell of fresh buttered corn.

I don't buy toilet paper there any more.

Since I bought this toy for my dog...
no more salesmen,
break-ins, or friends popping in

Just peace & quiet.
