WHAT A REMARKABLE COLLECTION OF APHORISMS

"When you see that in order to produce, you need to obtain permission from men who produce nothing - When you see that money is flowing to those who deal, not in goods, but in favors - When you see that men get richer by graft and by pull than by work, and your laws don't protect you against them, but protect them against you -

"When you see corruption being rewarded and honesty becoming a self-sacrifice - You may know that your society is doomed."

Ayn Rand,
Atlas Shrugged, 1957

When Albert Einstein Met Charlie Chaplin

ALBERT EINSTEIN: -What I admire most about your art, is its universality. You do not say a word, and yet, the world understands you!

CHARLIE CHAPLIN: -It's true, but your fame is even greater! The world admires you, when nobody understands you!
