Arizona Election Audit Summary:

Over 50,000 illegal votes in Maricopa county alone, which is 5x what's needed to overturn Biden's 'victory' in Arizona by 10,457 votes

The AZ Senate has referred multiple criminal investigations to the AZ Attorney General and people will likely be going to jail

The Arizona Senate must decertify the 2020 election results and other states need to conduct election audits to restore faith in our voting system
