JUST SO WE'RE CLEAR..

I never cared that you were Gay or Transexual, UNTIL you started SHOVING it Down My Throat.

I never cared what color you were, UNTIL you started BLAMING me for YOUR personal problems.

I never cared about your political affiliation, UNTIL you started CONDEMNING me for mine.

I really never cared where you were born, UNTIL you wanted to ERASE my history and BLAME my ancestors for YOUR life failures.

I never even cared if your beliefs were different than mine, UNTIL you said my beliefs were wrong.

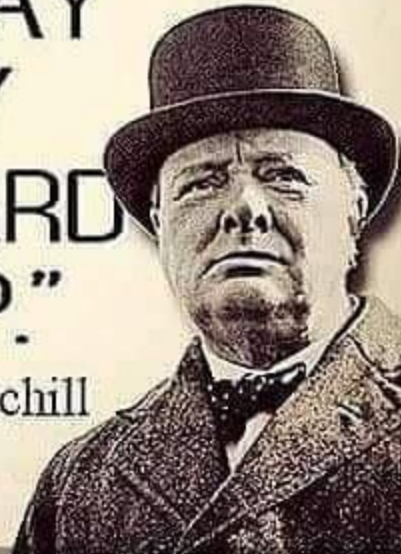

**Now I care... My Patience and Tolerance are GONE!
And I am NOT alone in feeling like this.**

Just know that there are HUNDREDS of MILLIONS of us who feel the same way.
