AMERICA IN DECLINE. This decrepit old grifter works MAYBE five hours a day. We traded in a work horse, for someone that belonged out to pasture or sent to the glue factory a long time ago. Nothing says we threw in the towel better than this nauseating image, the "commander in chief" can't even stay awake.

In 5 weeks we've finally gotten back to 'normal'. Gas is up \$1, we're bombing the middle east, thousands of jobs lost, borders are open, toy potatoes are offensive, coke needs employees to be less white, and taxpayers are paying for foreign abortions. Thank God we're finally rid of the guy that wrote mean tweets but put Americans first.

**Pace yourself Joe.  
You have 4 years. You  
don't have to destroy  
our country your first  
week.**

I can't believe I'm  
living in a world  
that is  
reassigning the  
gender of a  
plastic potato.
