Police Dept Alert

Metro Area Curfew Notification

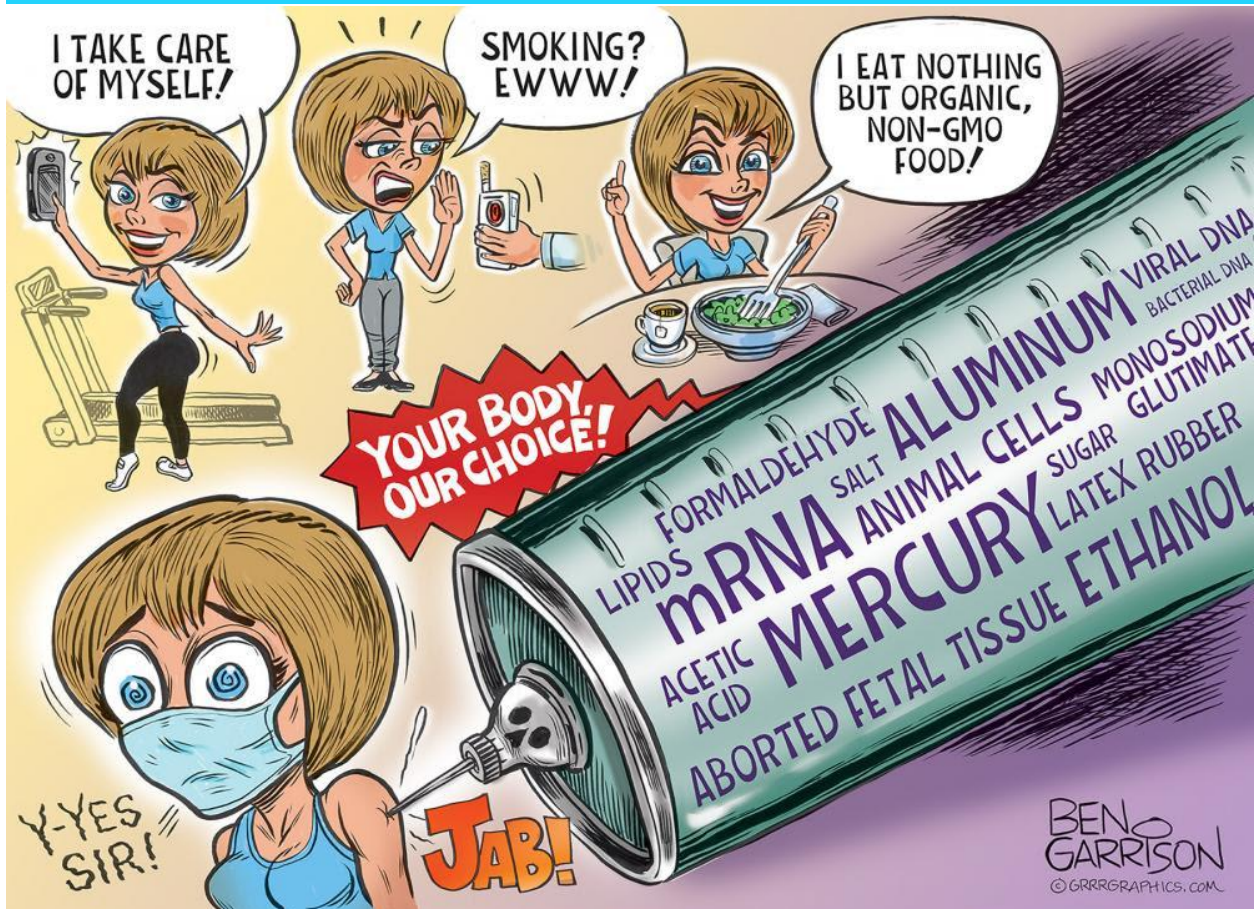

This afternoon, Governor Walz announced a curfew beginning this evening, Monday April 12 at 7pm through 6 am tomorrow morning, Tuesday, April 13, for cities in Anoka, Hennepin and Ramsey counties. Exceptions to the curfew will be made for people traveling to medical appointments or traveling to work, for law enforcement and emergency personnel, and for people fleeing dangerous situations.

**Spoons don't make
people fat, pencils don't
misspell words and
guns don't kill.**

People do.

Memes

What has this
BEAUTIFUL WOMAN
got...

that this
OLD HAG
doesn't?

It's an **ANCIENT SECRET**
formula, as **OLD AS TIME ITSELF!!**

Used by **ALL** of the **ELITES** from
HOLLYWOOD AND BEYOND!!

People everywhere are absolutely **DYING**
to get (((their))) hands on this product!!

Their **LONG-HELD-SECRET**, this
FOUNTAIN OF YOUTH . . .

ADRENOCHROME

*Available wherever humans are trafficked for Satanic Ritual Abuse (SRA).
This advertisement is not an endorsement for this sick, actual product. If
you or a loved one have been affected by SRA, there is a vast network of
patriotic Americans (and others, worldwide) who are interested in your
story and would love to help you in any way they can. PLEASE DO NOT
try this product at ANY cost. The Great Awakening is upon the world.
Cabal members be warned! PAIN is coming! Nothing can stop
what is coming. NOTHING.*

Memes

Cancer is trying to Heal not Kill:

A cancerous tumor is basically a bag the human body creates to collect toxins that are contaminating the bloodstream. A biopsy only splits open the bag releasing the toxic matter back into the body. Radiotherapy causes the body to go into shock which taxes the energy needed to break down the tumor. Chemotherapy poisons the whole body poisoning the bloodstream which only makes the body create more tumors. Research healing cancer by fasting.
