

East Africa Christian College (EACC) exists to train world-class Christian leaders.

We help develop men and women into effective leaders who can make a positive difference in their churches, communities and countries.

EACC seeks to prepare the leader's heart—who the leader is on the inside, how the leader understands and relates to God, and how the leader can walk in integrity—as well as the leader's hands, which are the practical expressions of ministry and leadership.

Courses

Courses are one week long (five full days) of in-class instruction plus readings, homework assignments, and practical activities that take place outside of class. Some courses will have pre-class work that the student is expected to complete prior to the first day of class. Some will have work to be done during evenings of the instruction week, and some will have post-class work that will need to be completed before a final grade is received. Students are expected to complete the course over a 30-day period.

Courses are taught by academically qualified teachers who also have extensive practical experience. These include visiting professors from the United States and other countries. Courses are designed to develop critical thinking and problem-solving skills, which are essential to good leadership.

Programs of Study

Certificate in Christian Leadership

The certificate in Christian leadership is a one-year program (12 classes) designed to introduce basic knowledge and ministry skills that students can build upon in further education or in service to society. Successful completion of the program allows for enrollment in the Diploma Program if the student has the required language skills.

Diploma in Christian Leadership

The Diploma in Christian leadership is a three-year post-secondary program (36 classes) designed to prepare people for Christian ministry. Individuals without a secondary education may enter the program upon the successful completion of the Certificate in Christian Leadership Program and demonstrated proficiency in English.

About Us

East Africa Christian College (EACC) is a non-denominational Christian college based in Tarime, Tanzania, East Africa.

EACC was founded by seven Tanzanian pastors from four Christian denominations and the leadership of MaxPoint Missions, a United States international community and leadership development organization.

EACC is governed by an independent board of directors that is appointed by EACC participating churches.
