

September 7, 2017

Dear Westminster Covenant Partners,

Following the recommendation of the Master Plan Steering Committee, the Session voted Wednesday September 6th, to bring before the congregation a vote to purchase the property located at 108 Pineville Road. This property adjoins the church office. The Session has designated **Sunday, September 24, 2017 at 10:30 AM** to hold the congregational vote.

Prior to the congregational vote, a **Town Hall** meeting will be held on **Sunday, September 17th at 4:00 PM** in the Church sanctuary(Child Care will be provided). Committee members from the Steering, Building, Finance, Communication and Neighborhood Relations will be present to provide information and answer questions. A schedule of Frequently Asked Questions will be provided before and during the meeting.

Included in this letter are three reports from the Building, Finance & Neighborhood Relations Committee along with a short growth history of Westminster. All of this information will be posted on the church website for easy access. Please bookmark this location for future updates and information.

You will also receive the same updates through the Steeple People, bulletins, email blast, handouts, ministers and committee members.

As we move forward with the Master Plan for Westminster, we seek your input and comments. Connect with any of our elders or Master Plan committee members and provide your ideas and energy.

We look forward to providing more information at the **Town Hall Meeting on Sunday, September 17th**.

In Christ,

Claude Saleeby
Communications Subcommittee
